There Is Not Nearly So Much Sin In the World as the Gossips Imagine But There is More Than a Lot of Good Folks Suspect

MRS. A. L. WILDRICK, of Los Angeles, Calif., who says she had to spend half her time in bed and could not get relief until she took Tanlac. Declares she now feels as well as she ever felt in her life and that she has gained fifteen pounds in weight.

The following remarkable statement was made recently by Mrs. A. L. Wildrick, a well-known and highly respected resident of Los Angeles, Calif., living at No. 224 North Alvarado Street. Mrs. Wildrick is 69 years of age and is the mother of seven children. Her photograph appears here.

"For the past year or more," said Mrs. Wildrick, "I have been in very poor health. I suffered principally from chronic indigestion and my condition was so bad I had to spend half of my time in bed from sheer weakness. In spite of all the medicine I took I could not possibly get any relief and I became so nervous and unstrung that at times I could hardly realize what I was doing. I just had no appetite at all and suffered terribly nearly all the time with indigestion and was really in a very bad way physically. If I did eat a little something I would always have a miserable distressed feeling afterward and I tell you I was going down hill pretty fast."

"Well, I just can't find words to tell you how really bad off I was and also to tell you what Tanlac has done for me. For I feel as well now as I ever felt in my life. Why, after taking only three and a half bottles of this medicine I have actually gained 15 pounds in weight and everyone tells me I am looking better than in years! Since I have been taking Tanlac I have found out that several of my intimate friends are also taking it and everyone of them are delighted with it. I am sure glad to recommend Tanlac and help spread the goodness of this medicine. Yes, I want you to use my photograph too, so that all my friends may see how well I am looking. Anyone who could see me now after so long as only a few weeks ago would be convinced that Tanlac must be a really wonderful medicine."

Tanlac is sold in Bennington by W. L. Gokay.—Advertisement.

## JOBBER MUST PARTICIPATE IN PRICE CUTTING

Department Stores Will Not Buy Without Reductions

## CONTINUE PRICE-SLASHING

Even Lower Figures Would Be Quoted by New York Dealers but for Slow Freight Deliveries.

New York, May 21.—The managers and buyers for some of the department stores announced today that their establishments will refuse to continue placing orders with jobbers until substantial reductions in prices are made.

The department heads demand that the wholesalers make concessions as the retailers are offering reductions all the way from 15 to 50 per cent. While Wall street is seeking to adjust itself to new credit conditions, the price slashing movement seemed to be gaining ground among New York retailers, who continued to advertise their wares at reductions. An official of the Merchants' association said he believed there was a decided tendency to reduce prices here in the retail market, although this was hampered by the freight slump which was causing a shortage of supply to the distributors. He said this reduction in prices was noticeable over and above the reductions made by clothing and department stores incident to cleaning out their spring stocks.

## BENNINGTON CLUB ANNUAL

Officers and Governing Board Elected Thursday Evening.

The Bennington club held its annual meeting at its rooms in the opera house block Thursday evening. This annual dinner was served and there was music by Hurley's orchestra.

The officers elected were: President, William H. Willis; vice-president, Dean L. Martin; secretary, John N. Leonard; treasurer, George G. Bond; governing board members for three years; William E. Bissell, J. W. Hurlbert, J. E. Evans, P. E. Howe.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. ## FREIGHT MUST BE MOVED OVER DIRECT ROUTES

Drastic Orders by Interstate Commerce Commission

## NO ADDED CHARGES MADE

Practice Instituted by Government Again Put into Effect to Reduce Congestion.

Washington, May 21.—Orders for the effective moving of the railroads of the United States into a single transportation system to meet the present emergency were issued last night by the Interstate Commerce Commission. The orders provide for the direct movement of all shipments without regard to routing or the traffic of individual lines, putting into effect some of the practices for traffic movement that were instituted under Government control.

The order directs that the most available and direct routing be used in all cases, and the routing by carriers or shippers be ignored. It provides that the carriers shall agree upon the division of rates on rerouted traffic and that in the failure of agreement the division will be fixed by the commission. Additional charges cannot be made against shippers.

Specific and detailed orders for the movement of a given number of empty cars each day were issued to practically all of the big railroad systems. The car movement is prescribed by the government and cannot be escaped under penalty, and one road cannot deny cars to another or fail to move them.

## RECEPTION AT WELFARE HALL

Community Gathering Wednesday Evening to Welcome Miss McDonald.

There will be a community gathering at Welfare hall Wednesday evening at 8 o'clock, May 26th, for the purpose of welcoming to Bennington Miss Ethel McDonald, the executive secretary of the Welfare association. Miss McDonald has shown herself to be alert and eager to know the towns people, and it is the sincere hope of the committee in charge that a large number of people will avail themselves of this opportunity to meet her. Dancing from 9 till 11 o'clock will follow a very informal reception. Light refreshments will be served.

## WOMEN DELEGATES

Three Selected in Connecticut to Attend Democratic Convention.

New Haven, Conn., May 20.—Three women have been appointed as members of the Connecticut delegation to the Democratic national convention at San Francisco.

## Preparing for Influenza

This dread disease seems to be creeping in again and the doctors and nurses and health authorities are busy making preparations to handle it. It is thought that if people would take the trouble to build themselves up and get in good rugged, physical condition they would have a much better chance of escaping this dread epidemic.

If you are weak and tired out and rundown and unable to take the necessary rest to bring yourself into first-class condition, probably you had better take Iron-Lax-Tonic which seems to be an especially effective combination for just such cases. There is the laxative which keeps the system free from all waste material and then there is the invaluable iron in a form easy to be taken up for the benefit of the blood and general strength. There are a good many preparations containing iron in one form or another but only one Iron-Lax-Tonic. The package bears the name of the druggist who originated it, J. T. Lantagne, and many grateful people acknowledge its benefits.

For example, Mrs. Hugh Connell, who lives at 148 Vernon street, Wakefield, Mass., stated, "I was troubled with gas on the stomach, indigestion and poor appetite. I could not sleep well which made me more or less nervous. I had no strength, no color and now, after taking three bottles of Iron-Lax-Tonic, I feel entirely different and feel myself gaining all the time. I am telling all my friends about Iron-Lax-Tonic and what it has done for me."

Now is the time to take Iron-Lax-Tonic and get yourself in first-class condition. If you get yourself strong and vigorous you will have a much better chance of warding off dangerous diseases.

Buy Iron-Lax-Tonic from your druggist.

## CLOSE OF "SALLY" DRIVE

Final Appeal to Be Made in Tag Day to Be Held Tomorrow.

The final appeal for funds in the present drive for the Salvation Army home service fund will take place tomorrow, when the young ladies, boys and girls of the village will canvass the community selling tags.

In this drive there has not been a house to house canvass and it is desired by the committee that every body lend a hand tomorrow and be tagged whether they have contributed or not.

It will only mean a small amount individually, but if every body gives it surely will swell the fund.

The canvassers are requested to meet at the telephone office after 9 a. m. It is hoped that every young lady, boy or girl who can will be present, and help.

## WOUND PROVES FATAL

Officers Claim St. Albans Man Was Shot by Housekeeper.

St. Albans, May 21.—Oliver Lovely, who was shot while asleep early on the morning of April 29, died at the local hospital last night. He was 60 years old.

At the time of the shooting the theory of an attempted robbery was advanced. Later Mrs. Kate Ives, the victim's housekeeper, admitted, according to officers that she shot him because he told her he was to leave town and didn't intend to take her with him.

## TOTAL OF 747 ENTRIES

For Intercollegiate Association of Amateur Athletes.

Philadelphia, May 21.—A total of 747 entries has been received for the annual track and field games of the Intercollegiate Association of Amateur Athletes of America to be held at Franklin field May 28-29.

## FOOTBALL TICKETS \$3

That Will Be Price for Harvard, Yale and Princeton Contests.

Cambridge, Mass., May 20.—Football fans who attend the annual contests between Harvard, Yale and Princeton were caught in the high cost of living net today when it was announced that prices for tickets to the games would be increased to \$3. This is an increase of 50 cents over the price of last year and \$1 more than the pre-war cost of admission.

## WOMAN IN CREW

Of Shamrock IV in the America's Cup Race.

New York, May 21.—A woman will be a member of a crew in America's cup race for the first time in history, it was learned today. She is Mrs. W. P. Burton, wife of Captain Burton, skipper of the Shamrock IV. She is an amateur skipper and has won many prizes in regattas of the Royal Corinthian Yacht club.

## ANNUAL C. E. CONVENTION

Local Congregational Church Will Have Part in Exercises.

The Baptist Mission Sketch, "A Day in India" was a very successful feature of the C. E. Convention last year at East Arlington. This year at Pownal the Y. P. S. C. E. of the Second Congregational church of Bennington will give the Congregational Pledge Sketch "The Hanging of the Sign." This sketch will be given during the afternoon session of the convention.

The recreation hour at the close of the morning and afternoon sessions of the convention, with Get-Together Games for all, will be under the direction of Miss Hazel Work, Bennington.

Some of the finest young people of Bennington county attend these conventions and the recreation hours enable them to get acquainted, and thus—not only play but work better together.

All who are interested in young people's work are invited to attend the convention.

## County C. E. Notes.

Nelson Payne was the leader of the Y. P. S. C. E. meeting at the Congregational Church, North Bennington, last Sunday evening.

Mrs. W. R. White was the leader of the Epworth League meeting at North Bennington Sunday evening. Mrs. White spoke in the interests of the Epworth League Institutes which are held each year in every section of the county.

Echoes of the Older Girls Conference (Burlington) were given at the North Bennington B. Y. P. U. Sunday evening. The leader, Mrs. W. E. Green, was assisted by Miss Barbara Rich, Miss Helen Worthington, Miss Lillian Mattison and Miss Bertha Hathaway.

The Pownal B. Y. P. U. and Pownal Epworth League have appointed the following committees to make arrangements for the County C. E. Convention to be held in Pownal, Saturday, June 5th.

General Committee on Arrangements: Harry Beals, Miss O'Dell, Miss Edwin Barber.

Refreshment Committee: Mrs. George Dunn, Mrs. Frank Mason, Mrs. Emma Carde.

## LEAGUE ISSUE NOT PARAMOUNT SAYS MARSHALL

Not the Only Plank in Platform, Says Vice-President

## URGES EQUAL JUSTICE

Would Meet Angry and Unreconciled Views Responsible for Present Day Unrest.

Indianapolis, Ind., May 21.—"Equal and exact justice to all men" as a remedy for unrest was prescribed by Vice President Marshall in his keynote address yesterday before the State Democratic convention. He also urged jail sentences for profiteers and increased production to relieve the high cost of living.

"I hold that the Democratic doctrine of equal and exact justice to all men and of special privileges to none will meet all the angry and irreconcilable views of today," said Mr. Marshall.

The vice president also expressed the hope that President Wilson and the senate would reconcile their differences over the peace treaty and that it would be ratified; but said no man should be read out of the Democratic party because of his opinion on the League of Nations.

"This was, as I understand it," the vice president said, "an American war. The peace should be American peace. The war could have been fought successfully as either a Democratic or Republican war. The peace can not bring that real peace which the American people want if it be made either as a Democratic or a Republican peace."

"I still hope that the President and the Senate will reach an accord upon such terms as will enable the treaty to be ratified and der jure peace to be made with the government of Germany, but as I grant to no man the right to read me out of the Democratic party nor to say to me that I can not stand upon its platform, advocate the election of its candidates and vote for them, I myself will not say to any man that his views upon the League of Nations inevitably place him without the Democratic fold."

## BIG CAR QUALITY

Attains its Highest Perfection in the Essex.

Many persons who have purchased motor cars have not done so because of the fact that they could not bring themselves to put up with the cheap cars the cost of operation of which for gasoline, oil and tires was within their ideas of what they cared to stand an operating expense.

Quality cars have all been large with great weight, large tires and heavy gasoline consumers. Many owners of these cars have found that a smaller car with much less passenger carrying capacity would be more satisfactory to them if only such a car could be had with quality in its make up in the cause it to give the same satisfaction as their high priced, costly to operate, heavy cars.

Any one will of course realize that a Pierce, a Cadillac, or a Hudson built a size smaller would cost but little less to build than the full sized car and the advantage would accrue not so much in first cost as in operating costs for tires and gasoline. There is again the problem that a smaller model of a large car does not give the same results in riding and performance that comes with the original model. These features of riding qualities and performance are a requirement that must be retained in the smaller car and this problem has baffled designers for years.

The solution of the smaller car with the quality of the best and most expensive and with a measure of riding quality and power to suit the most critical motorist in the habit of driving and riding the most comfortable and powerful cars has been found in the Essex. It is of course the most expensive small car but that is compensated for by the fact that it is made on a plane of quality far above any other cars of its price and especially those of near its price which offer so much more in size and quantity at the price.

The designer's accomplishment in producing a motor of dimensions suitable for a small car to leave ample room for the passenger comfort and yet to produce the sixty horse power necessary to give all the performance ever known to any stock car regardless of size, number of cylinders or cylinder dimensions is the miracle of the motor world. The Essex motor like The Hudson is patented and no other Manufacturer can give you a car with a like motor. Essex performance can not be duplicated in any car of similar size because of the Essex patents.

## VERMONT CONCERN SUED

Equinox Springs Co. of Manchester Defeated in U. S. Action.

Montpelier, May 21.—G. F. Lackey, deputy U. S. marshal, yesterday served papers on Harry A. Black, secretary of state, as the officer in Vermont upon which service can be made under certain conditions, in the case of the United States vs. the Equinox Springs Co. of Manchester. The company is charged with misbranding the goods that it has shipped. The charge sets forth that on June 17, 1918, it sold goods claimed to have therapeutic and curative value and the writ alleges these statements are false.

## TROLLEY SERVICE TO NORTH ADAMS TO BE RESUMED?

If Not, Why Was Work Car Run Over Line Today?

## SUPT. NEARY IN CHARGE

Intimated that Long-Awaited Announcement Would Be Made by Gen. Mgr. C. Q. Richmond Soon

Hope, long deferred, that service over the Bennington and North Adams trolley line would be resumed some day, was given an inspiring impetus this afternoon when a passenger car in charge of Superintendent W. T. Neary, and carrying a gang of track workers, arrived in the village. It was the first car seen in Putnam square since service was suspended by the strike last August and it created almost as much interest as a circus. It was also one of the most hopeful signs seen hereabouts during this admittedly backward season.

Supt. Neary had his usual cheerful smile in his face and he refused to go far beyond the smile. Asked if the company were going to resume service, the superintendent enlarged the smile and remarked that the fish took hold in fine shape the last time he was out.

"Mr. Richmond will have something to say to you folks in a few days" was the most that could be obtained from the superintendent. During the last few days there have been improved indications that service was to be resumed between Bennington and North Adams. It has been impossible to obtain any positive statement that would warrant any such announcement. The appearance of the car here this afternoon, however, is fairly good evidence that the company is planning to give the people of Bennington some kind of service to North Adams.

## NO MORE BACKACHES AFTER TAKING GOLDINE

Read How This Man Was Helped—Then Stop The Aches And Pains In Your Body.

Have you been suffering from pains in the back and in the sides? Have you like many others, thought that these pains were caused by straining yourself or from overwork. It's a whole lot more likely that they are caused by your kidneys and are Nature's warning to you that there is something wrong and you'd better do something before it gets you to bed with a serious and maybe fatal illness. Mr. Edward Laundry, of 74 Main St., Colchester, N. Y., suffered more than a year with pains through his back and sides. He said: "I doctored and doctored but couldn't get any relief. I was suffering nearly all the time and finally I thought I'd try a bottle of Goldine. I went to the drug store and bought a bottle of Goldine No. 2. Now, after taking that bottle and another one, the pains have completely left me and I never felt better in my life. It surely leaves me a firm believer in Goldine and I think there is no other medicine like it."

If two bottles will do that for Mr. Laundry, they will do the same for you. Why continue to go through life suffering needlessly when without any pain, without any discomfort and without great expense, you can get rid of those pains by taking Goldine No. 2. Why, it isn't even bad tasting and it's made of herbs that will straighten out your system and make right whatever is wrong in your body. It's worth trying isn't it?

Well, then, go right down to W. L. Gokay's Drug Store, tell the clerk you want a bottle of Goldine No. 2, take it home, follow the instructions in using it, and watch the pains leave you and a stronger, better, healthier feeling gradually take their place.
